To compliment our clinics, we are now offering in-depth training sessions at our location to better prepare your mount to various scenarios and conditions. You specify the problem areas to be addressed and we will strive to conquer them.

For those of you whose busy schedule doesn't permit you to attend a clinic, who feel it would be more beneficial for us to provide the targeted training or who merely feel uncomfortable challenging your horse yourself, here's your chance.

**Hourly Rate—\$40
One Week—\$250
Two Weeks—\$450**

**Training You &
Your Mount**
