## DEFENSIVE RIDING & TRAIL SAFETY

Michigan Mounted Associates, LLC

TRAINING YOU & YOUR MOUNT

**FOR INQUIRIES OR TO RESERVE YOUR PLACEMENT IMMEDIATELY,  
PLEASE CALL CANDY GERWATOWSKI AT (517)-641-7251.**

Are you concerned about riding by yourself—dealing with an aggressive animal or a suspicious looking person, afraid of getting lost? Do you ever feel like someone is following you or wondered what to do if someone tried to grab you or your horse? What if verbal warnings aren't enough? JOIN US TO LEARN THE ANSWERS!!!

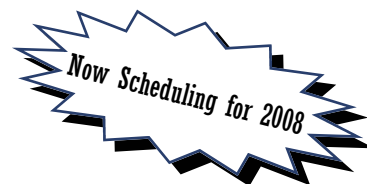

This clinic concentrates on developing and honing the skills necessary to ward off a potential attacker. You will learn both offensive tactics & defensive maneuvers, including what to say & how to position your horse, to assist you in defeating an attack. We will demonstrate how the power of your horse can become your best defense—in the saddle or on the ground.
